There were sales of 25,000 bags of Cubas now loading to an operator.

The easier trend in spot prices caused scattered liquidation and hedge selling in raw sugar futures and prices at midday showed declines of one point.

The market for refined was unsettled and a refiner reduced prices 10 points to 5.40c. Fine granulated ranged from 5.25 to 5.50c. There was only a light inquiry.

Rafined futures were nominal. Sugar futures closed steady; approxi-mate sales 19,550 tons, May 2.45c; Sept 2,85c; December 2.89c
